

# Shopify – NetSuite SmartConnector

Streamline eCommerce operations with prebuilt Shopify – NetSuite integration

## Order Management

View and manage orders in NetSuite as soon as shoppers check out on the storefront, POS, or social channel

## Shipping & Fulfillment

Leverage advanced fulfillment logistics; pick/pack/ship and send real-time shipping information to customers

## Inventory Levels

Synchronize stock levels between NetSuite and Shopify to minimize under/overselling products

## Products & Variations

Centrally manage product catalog in NetSuite and automatically publish product listings to Shopify

## Payment & Invoicing

Support multiple payment capture scenarios – including payment at time of sale or after fulfillment

## Cancellations & Refunds

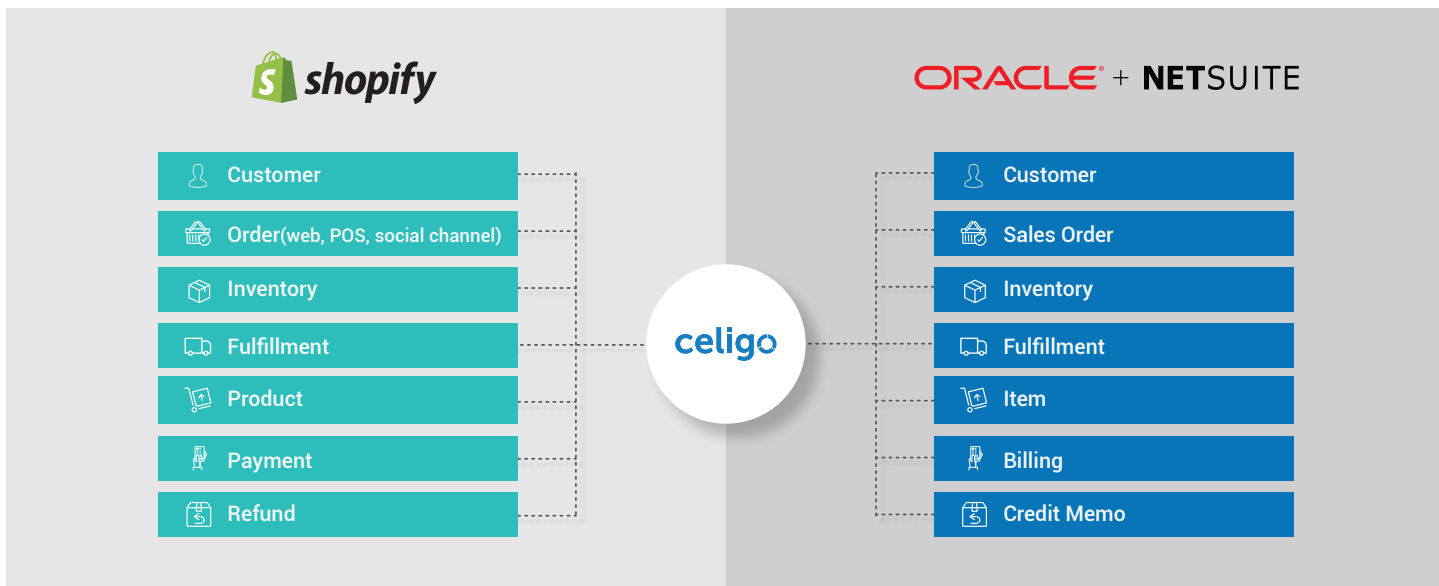

Manage cancellations and refunds within NetSuite and make statuses available in Shopify

## Key Benefits

- ✓ **Optimize buying experience** with timely fulfillment, accurate product availability, and real-time order statuses
- ✓ **Achieve fast time-to-value** with prebuilt, out-of-the-box integration that does not require IT support
- ✓ **Efficiently scale operations** by automating processes that rely on NetSuite and Shopify platforms
- ✓ **Minimize ongoing costs** with continuous upgrades, maintenance, and support provided by the experts at Celigo

# Prebuilt, full-featured integration for Shopify and NetSuite

Integrate your Shopify stores with NetSuite for timely order fulfillment, accurate product availability, and real-time visibility into order statuses. Celigo's Shopify – NetSuite SmartConnector is a prebuilt integration that can be easily configured and deployed without additional development or IT support.

“ The Shopify connector on the Integrator.io platform is extremely **intuitive for basic use, yet can be customized extensively** for advanced use.

— **DYLAN WILBUR**, SYSTEMS ADMINISTRATOR,  
HITLIGHTS

“ The Shopify Connector works great for us! The setup was easy and the time it saves us is indispensable. The user interface is clean and **easy to use, it runs quickly, and requires little to no maintenance.**

— **ROB PIZZOLATO**, CREATIVE DIRECTOR,  
ESSENTIAL LIVING FOODS
