

Amazon – NetSuite SmartConnector

Optimize eCommerce operations with prebuilt Amazon – NetSuite integration

Order Management

View and manage all orders (MFN, FBA) in NetSuite as soon as shoppers check out on Amazon

Shipping & Fulfillment

Leverage advanced fulfillment logistics; pick/pack/ship and send real-time shipping information to customers

Inventory Levels

Synchronize stock levels between NetSuite and Amazon to minimize under/overselling products

Products & Variations

Centrally manage product catalog in NetSuite and automatically publish product listings to Amazon

Settlement Reporting

Track sales margins in NetSuite by bringing in Amazon fees, customer payments, and refunds

International

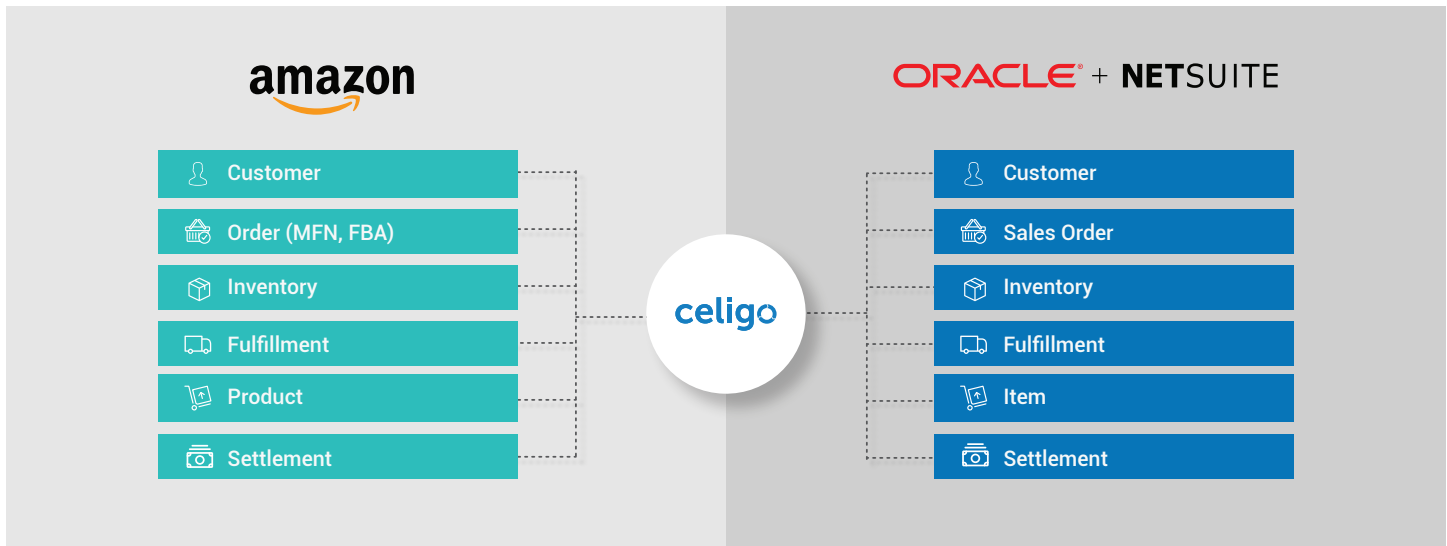

Expand international presence by selling on other Amazon domains (US, CA, CN, DE, ES, FR, IT, JP, MX, UK)

Key Benefits

- ✓ **Optimize buying experience** with timely fulfillment, accurate product availability, and real-time order statuses
- ✓ **Achieve fast time-to-value** with prebuilt, out-of-the-box integration that does not require IT support
- ✓ **Efficiently scale operations** by automating processes that rely on NetSuite and Amazon
- ✓ **Minimize ongoing costs** with continuous upgrades, maintenance, and support provided by the experts at Celigo

Prebuilt, full-featured integration for Amazon and NetSuite

Integrate your NetSuite with Amazon for timely order fulfillment, accurate product availability, and real-time visibility into order statuses. Celigo's Amazon – NetSuite SmartConnector is a prebuilt integration that can be easily configured and deployed without additional development or IT support.

*(billed annually)

“ **Set it and forget it.** Works well to import and export pricing, info, pictures, and sales orders. Works with FBA also....Our Accounting Manager saves over 5 hours of tedious reconciliations per month.

— JESSE DRISCOLL, GENERAL MANAGER,
CONTRACTORS DIREC

“ Since introducing the Connector, we have saved time and money on manual transfer of Amazon sales data and eliminated order entry errors. It has already **paid for itself several times over.**”

— GARY HILL, MARKETING DIRECTOR,
HEARING DIRECT
